EXECUTIVE PRINCIPAL'S MESSAGE

Yaama

Over the past Term students have been earning Positive Behaviour for Learning awards every week, for attending at least 4 days of the week and for their positive behaviour. Students needed to collect 10 Awards to reach the Gold Level; 7 Awards to reach the Silver Level; and 5 Awards to reach the Bronze Level.

This Friday, the students who reached the Gold, Silver or Bronze level will be rewarded for their effort. The Bronze level students will engage in structured school activities. The Silver level students will be heading to the PCYC to participate in a range of activities. Gold Level students will be travelling to Inverell to enjoy Ten Pin Bowling and Lazer Tag.

CONGRATULATIONS to the 23 students who reached the Gold Level. You are all so deserving of this reward. I trust you will have heaps of fun.

In addition, all students who are at school on Friday will be treated to breakfast, a bacon and egg muffin and a cup of milo.

This Friday is also the final day of Term 3. There will be a two week break, and school for all students will resume on Tuesday 6th October.

Positive Behaviour for Learning awards can be earned from week 1 of Term 4. Once again students who earn Gold, Silver and Bronze levels in Term 4 will be rewarded accordingly at the end of the year.

Until next term.

CLASS OF THE WEEK

2 weeks in a row!!

Great work KB

BRILLIANT

3-6 BUZZ

3/4/5/6 M Working very hard during a writing lesson. They have also shown a lot of enthusiasm for "Genius Hour"

3/4/5T Really enjoyed looking at information about Great White Sharks. Then came up with fantastic facts about them.

Connected Communities

Educational Field Day

Last Friday, 11th September, a group of Moree East Public School community travelled to Coonamble to participate in an Educational Field Day hosted by Coonamble High School.

The group consisted of staff, students and parents. Staff included; Mrs Cutmore, Ms Jeffs, Matthew Priestley, Bronwyn Spearim, Linda Kelly and Muriel Kelly. Attending students were; Kaedyn Smith, Malika Smith, Patricia Gordon, Michael Leslie, Andrew Pegus and Ashley Hughes. School Reference Group parents included Carla Boney and Jess Foy.

All fifteen Connected Communities Schools, including Moree East, were given the opportunity to share strategies currently being implemented in their schools. Moree East students also conducted an interactive dance workshop during the lunch break. The students did our school proud and were an inspiration to other students who were envious of the cultural opportunities available to them. The Secretary, Department of Education, Dr. Michele Brungies eagerly joined the workshop and was totally inspired by the students.

The bus trip!

MEPS met up with and had a yarn with Ms Michele Hall, Executive Director, Connected Communities and Dr. Michele Bruniges AM, Secretary, Department of Education.
