EXECUTIVE PRINCIPAL'S MESSAGE

Yaama

At Moree East Public we are committed to supporting and encouraging regular student attendance as it is critical to student's academic development and is required by law. Every morning at 8am there is an attendance draw where two student names are drawn and those students get to pick out of the box of goodies. On Friday mornings, students are treated to a bacon and egg toasted muffin and a cup of milo. Also, every Friday at our whole school assembly, those students who have been at school for 4-5 days of the week and have nothing but positive reports for the week are presented with a certificate. The total number of certificates collected by the student over the term will determine a Gold, Bronze or Silver level. Depending on what level a student is on, will determine what activity they can engage in at the end of the term. This term, Gold level students will be treated to a trip to Inverell, Silver level will engage in a PCYC activity and Bronze level students will engage in fun school activities.

NAPLAN

Earlier this year all Year 3 and 5 students across the state sat the National Assessment Program - Literacy and Numeracy, NAPLAN. MEPS Year 3 & 5 students have today been given their report to take home. If you would like some assistance in understanding the report or you would like to discuss your child's results then please contact your child's teacher or Mrs Ryan.
