EXECUTIVE PRINCIPAL'S MESSAGE

Yaama

Term 4 has started off with a very busy start and will not be slowing down anytime soon.

We almost have the full use of our new facilities including the community hub. Moree East Public School is now in a position to engage and work in partnership with service providers and community groups that can provide services for our students and their families on our school grounds.

Over the past four weeks the school has hosted a group of pre-service teachers from South Western Sydney University, a Power to Dream Beauty workshop and Moree's Breast Cancer morning tea. The school also had a surprise visit from South Sydney Rugby League player, Cody Walker.

Only just last week the school also had the honour of hosting the Minister for Education, Mr Adrian Piccoli; Mr Mark Scott AO, Secretary, Department of Education; Mr Andrew Stevenson, Deputy Chief of Staff; Ms Leah Anderson, Departmental Liaison Officer; Ms Dail McGilchrist, Executive Director, Learning and Teaching; Dr Pasi Sahlberg, NSW Education Symposium guest; Mr Adam Marshall MP, Member for Northern Tablelands.

The Moree East Public School Reference Group led the consultative process for our uniquely designed school that is truly reflective the Connected Communities strategy. The schools partnership, over the past four years, with Moree Aboriginal Education Consultative Group in particular the Presidents who have chaired the Group, Mr Craig Duncan and Mr Lloyd Munro has been highly valued by Moree East Public School. I would therefore like to sincerely thank Craig and Lloyd for their commitment to Aboriginal Education and to the Moree East Public School community.

About the Moran Contemporary Photographic Prize

Established in 2007, the Moran Contemporary Photographic Prize (MCP) is a national competition that awards and promotes Australian contemporary photography and excellence in all forms of still based artwork.

The MCP invites photographers to interpret 'Contemporary Life in Australia' with an emphasis on Australians going about their day-to-day life. We aim to encourage the production of photographs taken in Australia, by Australians, that reflects the diversity, multiculturalism and uniqueness of life, no matter where you live in Australia.

There are many ways to interpret this brief, but we are after your perspective on contemporary Australian society, your life, your dreams, your abilities, your inabilities, your mates, your loves. We want the good, the bad, the ugly, the beautiful and the everyday. Entries are NOT restricted to portraits.

Currently with an annual first prize of fifty thousand dollars (\$50,000), the Prize is an important part of Australia's Arts calendar. The Moran Prize is acquisitive and the winning photograph(s) immediately becomes the property of the Moran Arts Foundation, to be held and exhibited permanently as part of the Moran Arts Foundation Collection.
