# Stewart House

Dreyden Weatherall and Shaquil Smith were filled with excitement and beamed from ear to ear as they boarded the train to Sydney on Monday morning.

The boys will over the next two weeks engage in the Stewart House program.

Dreyden and Shaquil will have the opportunity to participate in educational programs and excursions designed to develop their social and emotional skills, build self-esteem and improve their overall well-being.

They will have many stories to share with us when they return!
