EXECUTIVE PRINCIPAL'S MESSAGE

Yaama

Moree East Public school community strives to build a quality 21st century learning environment and since the commencement of implementation of the Connected Communities strategy, Moree East Public has been working tirelessly to achieve this goal.

To date the school is experiencing success in key deliverables which is impacting on student engagement and learning. The rebuild of the school, the permanent school operational hours and the Culture and Language program, just to name a few.

However, in continuing on with striving for our school vision and goals, the School Reference Group has initiated a review and update of the school emblem, motto, uniform and song. The review and update will be led by the School Executive Staff and the Student Representative Council.

The school emblem, motto, uniform and song are critical elements of Moree East Public School. These elements provide a strong statement of pride, respect and inclusivity for our students, staff and community.

Feedback and suggestions are warmly welcomed and strongly encouraged from the wider students, staff and community. Several forums will provide opportunities for students, staff and community to engaged with the process, in addition to a suggestion box that will be located in the school foyer. Finally suggestions and feedback can also be submitted electronically to the school email.

The consultation process for the updating of the school emblem, motto, uniform and song will cease on Friday 1st July, the last day of Term 2.

Zone Cross Country

Congratulations to Jaleel, Ronald, Tyrese, Andy, Ashton, Matari, Narkeasha, Kyleika, Mika, and Shakila on their amazing efforts at the Moree Zone Cross Country Trials on the 20th May 2016. These students along with Ty, Nathaniel, Angus, and Lachlan from Barwon, competed in the 2000 and 3000 meter events. They all represented their school with distinction and with the greatest effort and pride. They should be proud of themselves. For the first time in many years Moree East will now be represented by 3 students at the North West Trials on the 17th June at Coolah.

They are; Shakila Fernando, Mika Tyson, and Tyrese Fernando.

We wish them the very best of luck .

HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the **correct money** in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.
