## EXECUTIVE PRINCIPAL'S MESSAGE

Yaama

Safety of students and staff is the highest of priorities in any school and at times extra security measures are put in place to support this priority.

As you are aware, a security guard is helping monitor the flow of parents and visitors onto the school grounds. I would like to thank you, the parents for your patience and understanding.

I also think it is timely for parents to ensure that the school has your current contact details. This being, your current home address and phone numbers. Having up to date contact details assists in the communication process between the school and home.

Semester 1 student reports will be issued next Monday. Teachers have made themselves available to meet with parents to discuss student progress on Tuesday 29<sup>th</sup> and Wednesday 30<sup>th</sup> June. Please take this opportunity to have one on one time with your child's teacher, as it is critical we work in partnership to improve learning outcomes. Please contact your child's teacher if you have not yet secured a meeting time.

Muriel
