EXECUTIVE PRINCIPAL'S MESSAGE

Yaama

As Term 3 comes to an end it is always important to stop, reflect and celebrate the achievements of our school community. Most importantly our students need to be congratulated for being successful, for being safe, for being a learner and for being respectful. Our school community continues to demonstrate motivation, excellence, pride and safety as together, we rebuild our 21st century learning facilities.

An example of this is the leadership of our Student Representative Council, who are working hard in leading the review of school motto, school emblem and school uniform.

If you have not had a chance to have your say in what our updated school motto should be, please make contact with the school or go to our school facebook page, as feedback will close Day 1 Term 4 and a final decision will be made.

The options are:

Learners Today, Leaders Tomorrow

Your Future Begins Here

Learning for Life

Currently the most preferred option is:

LEARNING FOR LIFE

Have a safe and happy holiday. School commences for staff and students on Monday 10 October.

'Transition to School'

Moree East Public School offers a 'Transition to School' program that operates from the Early Childhood Room.

The program will begin in Week 2 of Term 4. Every Wednesday morning from 8:15am til 10:15am. Parents/carers are encouraged to bring their children along to participate in the program.

The 'Transition to School' program is run by experience teachers who offer quality play-based interactions. It is a great opportunity for children to build friendships and develop confidence in a school setting.

For more information regarding this program please contact the school office in person or by phoning 02 6752 1733. Alternatively text "transition" to 0418 480 842 requestion a call back service.

Tell Them From Me

The Tell Them From Me survey is now open.

As previously notified in our school newsletter parents are a critical factor in the collation of information as your feedback is highly valuable and used to inform school planning.

If you would like to engage in the on-line survey contact the school and school support will be arranged to assist you in completing the survey.

Please don't miss out on this window of opportunity

Contact Details

MEPS cannot stress how critical it is that parent contact details held by the school are current and accurate. Specifically a telephone number and current residential address is mandated so that the school can contact parents when necessary, in particular when there is an emergency.

It is important to note that the school has commenced sending a text to parent's mobile phone, if there child is absent from school. The system has been put in place to assist the school and parents to work together to monitor student attendance. However, this system will only work if the school has the correct mobile number of the parent, so I urge all parents to contact the school to update these details.
